

## VISION

---

To provide technology-focused education by utilizing innovative instructional practices to foster real-world skills needed for success in the 21st century workforce

## MISSION

---

### ► Innovate

We innovate by continually developing new projects and course materials

### ► Inspire

We inspire tomorrow's future by helping students' creativity come to life

### ► Educate

We use technology as the foundation of education and teach skills that are needed to solve real-world problems

## DOES YOUR STUDENT

---

- Have an interest in computer science?
- Want to pursue a career in technology?
- Feel bored in a traditional school?
- Want a flexible learning environment?
- Have the ability to handle a rigorous education in a team environment?

If so, then  
**iSTEAM Academy**  
is for you!
